Battle For The Truth!

(Christianity vs. Judeo-Christianity)

By Lt. Col. Gordon "Jack" Mohr, AUS Ret.

A number of months ago, I received a booklet in the mail from Canada, it was titled **CHRISTIANITY VS. JUDEO-CHRISTIANITY.** There was no author's name or address on it. But it contained such vital information for the well being of white Christian Americans and Canadians, that I decided to use it as the basis for this book titled **THE BATTLE FOR TRUTH.** If anyone knows the name of the author and his address, I would appreciate it, as I'd like to contact him.

It has only been in recent times, that after the people we today know as Jews, became familiar with Christian literature, they began to name their religion **JUDAISM**. Rabbi Stephen Wise, one of the main Jewish leaders in the United States a few years ago, stated that when the Jews (Judeans) returned to Jerusalem from Babylon about 536 BC., they brought with them the teachings which became known as the **BABYLONIAN TALMUD**. "This was the end of Hebrewism, and the beginning of Judaism," the learned Rabbi stated.

As Christians it has become of vital interest that we know what kind of a religion Judaism is. We know it has been accepted by most of the evangelical and fundamental Christians as the religion of Ancient Israel and the Bible. But is it really the religion of the Biblical prophets who over and over again foretold the coming of the Messiah-Savior Jesus Christ? Is it the religion that Jesus and His disciples practiced when He was in His earthly body on this earth? Is it the religion we read about in the pages of the Old Testament? Or is it a cleverly conceived, satanic religion which is so clever, that in the words of Jesus: ". . . if it were possible, they would deceive the very elect." (These "elect" are not Jews, since the Jews are never referred to in the pages of its Holy Writ as "the elect." This term is used only in connection with "true Israel.")

It would be difficult to get a better answer for this thorny question, than by going direct to Jewish sources. Rabbi Bakker writes: "This is not an uncommon impression and one finds it sometimes among Jews as well as Christians - that Judaism is the religion of the Hebrew Bible. It is of course a fallacious impression."

We need to note here, that the **BABYLONIAN TALMUD** is the textbook of modern Rabbinism and is the "heart blood" of the Jewish religion. According to their own leaders, it supercedes the **TORAH** (Books of Moses), or any other religious writing.

Rabbi Louis Finkelstein, one of the leading authorities on Judaism asserts: "Phariseeism became Talmudism, Talmudism became Medieval Rabbinism, and Medieval Rabbinism became Modern Rabbinism. But throughout these changes of name. . . the spirit of the ancient Pharisee survives unaltered."

May I remind you that it was to these Pharisees Jesus Christ, the Son of God, directed His sternest denunciations. In John 10:26, speaking directly to these religious frauds of His day, He said: "But ye (Pharisees) believe not, **BECAUSE YE ARE NOT OF MY SHEEP..."** (Emphasis mine!) That seems mighty plain to me!

In a serially produced installment of a best-seller by Jewish author Herman Wouk, we find the heading **THE TALMUDIC HEART'S BLOOD OF THE JEWISH FAITH.** He says: "The **TALMUD** is to this day the circulating heart's blood of the Jewish religion.

Whatever laws, customs, or ceremonies we observe - whether we are Orthodox, Conservative, Reformed or merely spasmodic sentimentalists - we follow the **TALMUD. IT IS OUR COMMON LAW!"** (Unq.)

The beginning of Talmudic literature dates back to the time of the Babylonian exile in the 6th

Century B.C. . . . a thousand years later, in Alexanderia, Egypt, these traditions of men were finally set down in codified form.

When all the frills and mystery is removed from the **TALMUD**, it boils down to the "traditions of the elders," which Jesus frequently mentioned in His earthly ministry. (Matthew 15: 3, 6, 9; Mark 7:6-9 13).

In Matthew 15:2, we listen as Christ asks the scribes (lawyers) and the Pharisees: "Why do ye also transgress the commandment of God by your tradition?" In verse 9 He enlarged on this evil; by saying: "But in vain to they (scribes and Pharisees) worship me (God), teaching for doctrines the commandments of men." (This quotation was taken from Isaiah 29:13).

In Mark 7:7 we find this same accusation followed by another in vs. 9 Full well ye reject the commandment of God, that ye may keep your own tradition." And in vs. 13, He said that these religious and political leaders "Made the word of God of none effect through their tradition."

The **TALMUD**, did not appear in written form until centuries after the Christian world came into existence. The word **TALMUD** comes from Mishaic Hebrew and means "learning, teaching, instruction." It was at first passed on by word of mouth. By the time it appeared in written form about 500 A.D. it contained much which was viciously anti-Christ and anti-Christian. This has resulted in what today is known erroneously as "anti-Semitism." (I say "erroneous," since the vast majority of those people who today call themselves Jews, are of Turco-Mongolian, rather than Semitic origin).

Nothing is more thrilling to a genuine Christian than to hear the name of Jesus Christ upliffed and exalted and to listen to the marvelous promises made by their King to those who will remain faithful to Him. So, when they hear His wonderful name blasphemed, degraded and associated with filth, their reaction is anger against those who promote such beliefs. Doesn't it seem strange that only one religion in the world attacks the teachings and person of Jesus Christ? The Mohammedans honour Him as a great prophet and other religions recognize Him as a great spiritual leader, only in Judaism is Jesus, the Son of God, degraded and called the "son of a whore."

While the Talmud does not mention Jesus by name, the footnotes and context clearly show that He is the one they refer to. The Jewish Encyclopaedia states that Jewish legends regarding Jesus are found in three sources and all these sources tend to belittle Him by ascribing to Him illegitimate birth, the use of magic and the shameful death of a common criminal. It goes on to say that His mother, the Virgin Mary, was seduced by a Roman soldier from the garrison at Nazareth, named Panthera; Jesus was the result!

After referring to a Talmudic source regarding a dispute between Jesus and the scribes (lawyers), the Jewish Encyclopaedia states: "All the Toledot editions contain a similar story of a dispute which Jesus carried on with the scribes on the grounds that they declared Him to be a bastard." (John 8:41)

They said, "We be not born of fornication; we have one Father, even God." And Jesus rebutted them in vs. 42, 43 by saying: "If God were your Father, ye would love me; for I proceeded forth and came from God: neither came I of myself but He sent me. Why do ye not understand my speech? even because ye cannot hear my word."

Again, according to the **TALMUD**, Jesus was supposed to have learned magic while He was in Egypt and the Jewish leaders accused Him of performing His miracles by these means and through the power of Satan. It goes on to say that His disciples healed the sick in the "name of Jesus Pandera." In Matthew 12:24 we read where the Pharisees on seeing His miracles said: ". . . This fellow doth not cast out devils, but by Beelzebub, the prince of devils." Jesus refuted their claim, by saying, vs. 26 - "If Satan cast out Satan, he is divided against himself; how then shall his kingdom stand?" And they could not answer Him.

The Talmudic story of the trial, crucifixion and resurrection of Jesus is completely at odds with the Biblical account. The Jewish account denies His resurrection, just as Matthew 28:11-15 explains.

How when the Jewish authorities heard about His resurrection, they paid large amounts of bribe money to the Roman soldiers who had been guarding the grave, and told them to tell the governor, Pontius Pilate, that while they slept, the disciples came and stole His body. It is interesting to note that vs. 15 says: ". . . and this saying is commonly reported among the Jews until this day."

The Jewish report stinks to high heaven for the simple reason that the Romans were very strict about a soldier going to sleep while on guard duty. The penalty was death. Yet the Jewish leaders were said to have bribed Pilate to overlook the dereliction of his soldiers. This was extremely unlikely.

According to Talmudic teachings, Jesus is now in hell. It says: "**A SON** of Titus' sister desired to embrace Judaism and called up from hell by magic, first Titus (a Roman General), then Baalam, and finally Jesus, who were taken together to be the worst enemies of Judaism." (Titus was the Roman general who completely destroyed Jerusalem in 70 AD.)

When Jesus was asked "Who is esteemed in the world?" According to the Talmud He was supposed to have replied: 'The Jews. Further, their well-being; do nothing to their detriment; whoever touches them, touches the apple of God's eye.' " This is the same story the televangelists like the Baptist Jack Van Impe, Jerry Falwell, and Pentecostalist Jimmy Swaggart preach.

Why do the well-known televangelists of the fundamental and charismatic crowds support the State of the Israeli, no matter what they do? The answer is that they have swallowed Jewish propaganda "hook, line, and sinker," and do look on the Jews as the "apple of God's eye." Jerry Falwell has said: "The reason God has been good to America and blessed her, is because she has been good to the Jews." This is an observable lie, for the facts prove differently. The time of America's greatest debacle in every way, economic, political, moral, militarily and spiritually, has been since 1948, when we recognized that "little bastard state in Palestine called the Israeli." It has been "down-hill" for us ever since. I wonder if these Judeo-Christian preachers have ever bothered to read 2 Chron. 19:2, which reads . . . shouldest thou help the ungodly, and love them that hate the Lord? Therefore is wrath upon thee before the Lord."

The Bible does speak about the "apple of God's eye," in Deut. 32:10 and Psalm 17:8, but neither of these Scriptures refer to the Jews, but to Israel, who is a completely different breed.

The Talmudic Jew who is dragged out of hell to parrot the Talmudic line that the Jews are the "apple of God's eye," may be the false Christ, worshipped by the Judeo-Christian, but he is not the Christ of the Bible. In 1 John 2:18 we read: "Little children, it is the last time: and ye have heard that anti-Christ shall come, even now there are many anti-Christ's: whereby ye shall know it is the last time." (Many of these anti-Christs, false prophets, are standing behind the pulpits of Judeo-Christian churches, leading their Israel people away from the truth of God's Word.)

The time has indeed come, when professing Christians have departed from the faith and are giving heed to "seducing spirits and doctrines of devils," (1 Tim. 4:1).

The same Talmudic passage which refers to Jesus being raised from hell states that His punishment is to be "with boiling hot excretement, since a master of the Jews has said: 'whoever mocks at the words of the Sages, (Jewish religious leaders) is punished with boiling hot excretement.'

The Jewish Encyclopaedia, under the title of **BALAAM** (referring to Jesus) says: "He became the type of false prophet seducing men to lewdness and obscene idolatrous practices . . . and hence also the pseudonym **BAALAM** given to Jesus."

Of Jesus mother, Mary, the **TALMUD** says: "She who was the descendant of princes and governors, played the harlot with carpenters."

Anyone with the slightest degree of perception can see how our moral values have degenerated in the past fifty years. Over a hundred years ago, a French political philosopher named Alexis de Tocqueville, visited the United States. He came to find out how we had had such a phenomenal rise to power in such a short time. On returning to France, he wrote a letter to an American friend in

which he said, among other things: "America is great because she is good; when she ceases to be good, she will cease to be great." We have seen this debacle take place in the past fifty years as moral and spiritual standards have been destroyed by enemy action; in fact by many of these churchmen who call God's enemies, His Chosen People. In this period, we have degenerated from the greatest Republic the world has ever seen, into a Socialist Democracy which is now tottering on the verge of totalitarian dictatorship.

The "thought police" of the Jewish Anti-Defamation League (ADL) have conditioned most of our people to accept the "immoral" as "moral, and "bad" for "good." They have "called evil good, and good evil; have put darkness for light, and light for darkness; have put bitter for sweet, and sweet for bitter," just as the prophet Isaiah predicted in (5:20).He further clarifies these evil men in vs. 23 when he says. 'Which justify the wicked for rewards (bribes), and take away the righteousness of the righteous from him."

This is a perfect example of our present, Jewish controlled justice system.

Our morals have been changed as religious leaders, hiding behind the sanctuary of their pulpits, and in God's name, have cooperated with, and supported an ancient religion whose corruption came from the occult practices of ancient Babylon - this was the same religion Jesus Christ fought so vigorously when He was on this earth and which mysteriously and evily, has become united with the Christian faith under the name Judeo-Christianity.

Historically, the Christian faith has had a high regard for women and little children and has sought to protect them. Jesus warned that anyone who did anything to harm little children who believed on Him, was in danger of "extreme, eternal punishment." In Matthew 18:6, we read where He said: "But those who offend (Greek - "skandalizo" meaning: entrap; entice to sin; offend) one of these little one's which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea." Apparently, according to our Lord, a terrible punishment is reserved for those who deliberately harm little children.

Yet in our society today, "kiddie pornography" is on the upswing and "men-boy" clubs have been formed where grown men have sex with under-aged boys. In almost every case, these programs are sponsored and led by Jews - those people the Judeo-Christian crowd supports. Why?

A look at the Jewish religious book the **TALMUD,** will give you an answer as to the Jewish proclivity towards "illegal, or unnatural sex." If you have a weak stomach, it might be well if you stopped reading right now, for you are sure to be offended by what the **TALMUD** teaches.

Listen to the sages of Judaism, as they state in the **TALMUD:** "When a grown man has had intercourse with a little girl, it is nothing, for when the girl is less than three years old, it is as if one puts the finger into the eye. Tears come to the eye, again and again, so does virginity come back to the little girl under three years." Ask yourself why any decent man would want to have sex with a little girl under the age of three. Yet this is instruction to Jewish men, from their holy book. It's nothing short of sickness!

No other major religion in the world teaches that women outside of their faith are "like a piece of raw meat," to be treated as the Jewish man desires. The **TALMUD** abounds with such sickening references.

In Canada, our Israelite neighbor to the north, they are having big problems with the Judeo-Christian concept. A Kitchner, Ontario welfare worker was reinstated recently, after being fired for having lunch-hour sex with a mentally retarded boy who was his client. This government worker had twice been convicted of gross indecency under Canadian Criminal law. His punishment was a one year suspension, but the Grievance Board, ordered that he be paid retro-active pay for the time he had missed. This sort of betrayal of justice and decency is an insult to the people of Canada, who for the most part are a decent, God fearing people. Yet the same scenario is played over and over again in the United States, with the same results.

Here is what the **TRADITION OF THE ELDERS** says about sex between grown men and under-aged boys: "Pederasty (sex between men and boys) with a child below age of nine years is not deemed as pederasty if it is committed with a child of lesser age, no guilt is incurred."

Here is another gem of moral turpitude: "It is necessary to teach concerning one who commits pederasty with a 'terefah,' (a person suffering from an incurable disease which will end in their death). I think that he is as one who abuses a dead person, hence exempt from guilt."

Regarding non-Jews, whom the Christian world often erroneously calls Gentiles, the **TALMUD** teaches: "Only Jews are men . . . Gentiles are not classified as men, but as barbarians. The Gentile nations have few rights since He (God) withdrew His shining, legal protection from them, and transferred their property rights to the Jews."

Non-Jews find themselves in a legal no-win situation when they come before a Jewish judge, who is probably backed by a Jewish Prosecuting Attorney, and very possibly defended by a Jewish court appointed Defense Counsel. The **TALMUD** says: "If a Gentile sue a Jew, the verdict is for the defendant; if a Jew is the plaintiff, he must obtain full damages."

With a high percentage of judges and lawyers being Jews, the non-Jew, particularly if he is a Christian, has little protection from the law since the **TALMUD**, which is the legal law for the Jewish judge, states that he has no property rights and that his possessions are "like unclaimed land in the desert."

The **TALMUD** teaches that "the **TORAH** (laws of Moses) outlaw the issue of Gentiles as that of a beast." Maybe this explains why the majority of abortion mills in Canada and the United States are owned and operated by Jewish doctors. In fact a Jewish Rabbi in the **TALMUD** is quoted as saying: "The best among the Gentiles deserves to be killed." (**ABHODAH ZORAH**, 26b). When an orthodox Jew prays, he says: "Blessed be Thou (God) . . . who has not made me a goi" (non-Jew animal).

The **TALMUD** infers that Jews are their own Messiah, to be treated like God and that "He who smites a Jew on the jaw is worthy of death it is as though he had assaulted the Divine Presence." You wonder why Jews are arrogant people? Read their holy book and you need not wonder why!

The **TALMUD** admits that Judaism will only come into power by inflicting much suffering on the Gentiles and they glory in it. They are perfectly willing to use the hordes of "brainwashed" Christians to accomplish their purpose of world control.

One of the ultra-religious sects of Judaism is the **HASIDIM,** who are devotees of mysticism and the occult. They are followers of the **CABALLA** (an esoteric secret doctrine known only to an elite few. It is very similar to the teaching of the higher degrees of **FREEMASONRY**, in fact the **FREEMASONS** get much of their symbolism from Judaism

The Jewish Encyclopedia goes into detail in its explanation of Cabalism, sometimes called **KABBALISM**. It includes magic, sorcery, astrology, the conjuring of demons, transmigration of souls (reincarnation), a non-personal God, and the use of amulets to ward off evil.

Many of the Jewish superstitions have found their way into our Judeo-Christian society, including much of our teachings on heaven, hell, Satan, demons, etc. According to the Cabalistic doctrine "evil is non-existent". The cross of Jesus Christ, which is a symbol of His sacrificial death to Christians (see Gal.. 6:14) is an insult to the god of the **TALMUD.**

During the 500th Anniversary celebration of the birth of Martin Luther, the Great Reformer in 1983, many Judeo-Christian theologians, including many from his own Lutheran church, criticized him for his anti-Jewish stance. Today, in Canada, for instance, Luther would be hauled before a court for writing his **THE JEWS AND THEIR LIES.** It would be considered as "hate literature." The same thing will take place in the United States in the near future, unless Christians wake up to what the Zionists are trying to accomplish.

Martin Luther understood the Jews. He began by supporting them, just as I did before I had my eyes opened by their anti-God acts. Then from sad personal experience he was constrained to write: ". . . I see in their writings how they curse us goyim and wish us all evil in their schools and prayers. They rob us of our money through usury... they play us all manner of tricks; what is worst of all they . . . teach that such things should be done. No heathen has done such thing and none would do so, except the devil himself, and those he possesses, like he does the Jews. They openly blaspheme God the Father, when they blaspheme and curse Jesus . . . If God would say to us now, or on the day of judgment: Do you hear, you are a Christian, and know that the Jews openly blaspheme and curse Me and my Son, and you gave them a place to do so, also protected and guarded them so they could do so unhindered and unpunished in your country, city, or houses. Tell me! What shall be your answer?"

A lot of Judeo-Christians will probably say: "But we thought they were your people. That's what preachers like Falwell and Swaggart told us. They said we must support them no matter what they do, because they are your Chosen People, and if we don't you will curse us!" And the King will turn to them and say, in His own words: ". . . I profess unto them, **I NEVER KNEW YOU;** depart from me, ye that work iniquity." I would not want to stand in the shoes of preachers such as Falwell and a host of others, no matter how popular they may now be on television.

Maybe God will say to these foolish preachers who have benefitted from their "love affair" with Judaism: "You had my Word. You knew what my Son said about these anti-Christ's. 'He that despiseth me, hateth my Father also. . . For the Father hath committed all judgment unto the Son: at a men should honor the Son, even as they honour the Father. He that honoureth not the Son, honoureth not the Father which sent Him . . ." This seems pretty clear to me! (See Luke 10:16; Matt. 10:40; Mark 9:37; John 13:20; 1 Thess. 4:8).

Maybe God will say to these men honoring, popularity seeking preachers: "The prophets warned you . . . 'shouldest thou help the ungodly, and love them that hate the Lord? therefore is wrath upon thee from before the Lord.' " (2 Chron. 19:2).

The Psalmist said: "Do not I hate them, O Lord, that hate Thee? and am not I grieved with those who rise up against Thee? I hate them with a perfect hatred: I count them mine enemies." (Ps. 139:21, 22)

Jesus said: "Why call ye me Lord, Lord and do not the things which I say?" (Luke 6:46)

When our King spoke to the Pharisees, the forerunners of Modern Judaism, He said: "You generation of vipers (poisonous snakes)! how can ye being evil, speak good things? for out of the abundance of the heart the mouth speaketh," (Matt. 12:34). "But ye (Jews) believe not because ye are **NOT OF MY SHEEP** . . ." (Emphasis added - John 10:26).

"If ye were Abraham's children, ye would do the works of Abraham. But now ye (Jews) seek to kill me, a man that told you the truth: this did not Abraham," (John 8:39, 40). This was followed by Christ's most scathing denunciation of the Jews when He said: "Ye are of your father the devil, and the deeds of your father ye will do . . ." (John 8:44). "If God were your Father ye would love me: for I proceeded forth, and come from God," (Vs. 47).

Then speaking to the churches in the End of the Age, the risen and ascended Son said: "I know the blasphemy of them which say they are Jws (Judeans), and are not, but are of the synagogue of Satan," (Rev. :9; 3:9). These are the people the Judeo-Christian churches defend as God's Chosen, in spite of all Jesus said about them.

The Apostle Paul knew who they were when he said in 1 Thess. 2:15 - "Who both killed the Lord Jesus, and their own prophets, and have persecuted us (Christians); and they please not God, but are contrary to all men."

In Titus 1:10, Paul warns us against them again: ". . . many unruly and vain talkers and deceivers, specially they of the circumcision (Jews). Whose mouths must be stopped, who subvert whole

houses, teaching things which they ought not, for filthy lucre's (money's) sake."

The Jews are not a race, since they are made up of many races, black, Japanese, Indian, Italian, etc., and have many Gentile converts such as Marilyn Monroe and Sammy Davis, Jr. The majority of them are not Semites, but come from a Turco-Mongolian background, as is admitted by many of their own leaders.

Does a person become a member of these so-called "chosen people" by denying Jesus Christ and accepting the filthy teachings of their **TALMUD?** How much real Jewish blood is necessary to qualify as a Jew, in the minds of the "brainwashed" Judeo-Christian?

There are two main branches of modern Jewry. In Western Europe we find the Sephardic Jews, some of whose ancestors probably fled from Jerusalem when it was destroyed in **70 AD.** These spread across North Africa and Spain. They inter-married with the peoples of the Mediterranean area, and would include the Edomite Jews sometimes called Idumeans.

The Ashkenazi Jews, on the other hand, which make up at least 85% of Jewry, come from the steppes of Russia where their ancestors were known as Khazars. These people were converted to Judaism in the 8th Century A.D. Alfred Lilienthal, the renowned Jewish writer says:"Perhaps the most significant mass conversion to the Jewish faith occured in Europe in the 8th Century A.D. and that the story of the Khazars (Turco-Finnish people) is quite pertinent to the establishment of the modern state of the Israeli." Again he writes: "That the Khazars are the real ancestors of Eastern European Jewry is a historical **FACT**. Jewish historians and religious textbooks acknowledge this, though the propagandists of Jewish nationalism (Zionism) belittle it as pro-Arab propaganda." (I would suggest that everyone concerned read Lilienthal's book: **THE ZIONIST CONNECTION II.**

THE THIRTEENTH TRIBE, a book written by the Jewish author Arthur Koestler, blows the lid from this well-kept secret. He states: "In the 1960's the number of Sepharidim were about 500,000, while the Ashkenazim of the same period numbered about 11-million. Thus, in common parlance, Jew is synonymous with Ashkenazi Jew." Hence the majority of those we know as Jews, never had ancestors who set foot in Palestine.

It is interesting to note that the same "Ashkenaz" is found in Genesis 10:3 and 1 Chronicles 1:6, and in both instances is connected with the sons of Gomer, a nephew of Magog. They mentioned as adversaries the "true Israel" in Ezekiel 38, 39.

A Westphalian monk named Christian Druthmar of Acquitanta, wrote somewhere about 864 A.D. that there "existed in a region where no Christians dwelt, the name of whose people is Gog and Magog, and who are Huns; among them is one called **GAZARI** (Khazar) who are circumcised and observe Judaism in its entirety."

When one reads in Revelation about **BABYLON THE GREAT** "drunk with the blood of the saints," (Rev. 17:5, 6), it might be well for us to remember the 140-million people, including millions of Christians, who have been slaughtered by Jewish-led and financed communism in the past seventy years, and who today are persecuting Christians in communist lands. Amnesty International, recently estimated that as many as 350,000 Christians each year die under communist persecution. For all intents and purposes, this means Jewish persecution.

If there is indeed an International Conspiracy between Communism and Talmudic Judaism, and much evidence points in this direction, then men like James Keegstra, Malcolm Ross, and Ernst Zundel of Canada, who have been persecuted by government edict, should be commended as heroes of Christianity. Instead, on many occasions, they have been reproved by Canadian Christian prelates.

We can go to Jewish sources to hear what they say about communism. Rabbi Stephen Wise an American Jewish leader of a few years ago, when asked to comment on communism, was reported by Jewish periodicals to have said: "Some call it communism; I call it Judaism." Oscar Levy, a well-known Jewish author, in the introduction to his book the **WORLD SIGNIFICANCE OF**

THE COMMUNIST REVOLUTION, said: "We Jews have erred . . . we have most grievously erred: and if there was truth in our error 3,000, nay 100 years ago, there is nothing now but falseness and madness, a madness that will produce an even greater misery and an even wider anarchy. I confess it to you openly and sincerely, and with a sorrow whose depth and pain, as the ancient Psalmist and only he could moan into this burning universe of ours. We who have boasted and posed as the saviors of this world - we have been nothing else but it's seducers, it's destroyers, it's incendiaries, it's executioners. We who have promised to lead the world into heaven have only succeeded in leading you into a new hell. There has been no progress, least of all moral progress. And it is just our (Jewish) morality which has prohibited all real progress, and - what is worse - which even stands in the way of all future and natural reconstruction in this ruined world of ours. I look at this world, and I shudder at its ghastliness; I shudder all the more as I know the **SPIRITUAL AUTHORS OF THIS GHASTLINESS."** (Yet these are the people the Judeo-Christians support.)

The Jewish author Samuel Roth, in his book **JEWS MUST LIVE**, page 12, says: "The scroll of my life spread before me, and reading it in the glare of a new, savage light, it became a terrible testimony against my people (Jews). The hostility of my parents. . . my father's fraudulent piety and his impatience with my mother which virtually killed her. The ease with which my Jewish friends sold me out to my detractors. The Jewish machinations which three times sent me to prison. The conscienceless lying of that clique of Jewish journalists who built up libel about my name. The thousand incidents, too minor to be even mentioned. I had never stretched out a hand to a Jew or Jewess without having had it bitten. I had never entrusted a Jew with a secret which he did not instantly sell cheap to my enemies. What was wrong with these people who accepted help from me? Was it only an accident, that they were Jews?

"Please believe me, I tried to put aside this terrible vision of mine. But the Jews themselves would not let me. Day by day, with cruel, merciless claws, they dug into my flesh and tore aside the last veils of allusion. With subtle scheming and heartless seizing which is the whole of the Jews fearful leverage of trade, they drove me from law office to law office, and from court to court, until I found myself in the court of bankruptcy. It became so that I could not see a Jew approaching me without my heart rising up within me to mutter. 'There goes another Jew, stalking his prey!" Disraeli set the Jewish fashion of saying that every country has the sort of Jews it deserves. It may also be that the Jews have only the sort of enemies they deserve too."

On page 20 he continues his observation of his own people: "It is true, as the Jews claim, that the Gentiles lay violent hands on them purely out of prejudice against their religion, out of envy for their superior commercial genius, how would they ever have gotten into that country in the first place.

"Read for yourself the story of the progress of Jewry throughout Europe and America. Wherever they come, they are welcomed, permitted to settle down, and join in the general business of the community. But one by one, the industries of the country close to them because of their unfair business practices, it being impossible to longer hold in check the wrath of a betrayed people, there is violence, and inevitably, an ignominious rejection of the whole race from the land! There is not a single instance where the Jews have not fully deserved the bitter fruit of the fury of their persecutors

"Even in America, the most patient of the Western nations, things are coming to a head... The civil population is chafing under the abuses of Jewish doctors and lawyers."

Continue on page 54 - "Many articles and books have been written on the subject of how much the Jews have enriched America culturally. Needless to add, Jews have authored them. (Or Jewish goyim prostitutes like Jack Van Impe in his book **ISRAEL'S FINAL HOLOCAUST**, excerpts following - ED.) And while it is undoubtedly true that Jews have given themselves over infinitely to the vain show and inglorious barter which everywhere accompanies the development of the arts and sciences, I cannot find anything of value they have themselves created in their over two hundred and fifty years in residence on the American continent. This is true in science, as well as art. .. If

being in America meant anything to Jews like Jacques Loeb and Albert Einstein, it certainly did not crop up in their work."

Roth sums up what I have been trying to say on page 63 - "It is my honest belief that nothing the Jew does in **AMERICA IS ESSENTIAL TO ITS WELFARE.** On the contrary, a great deal of what American Jewry does is subversive of America's best interests . . . the Jew in America is forever engaged in the fascinating pursuit of creating everything he needs out of nothing - his modest opinion of the Gentile world about him . . . We come to the nations pretending to escape persecution, and we are the most deadly persecutors in the wretched annals of man." (UNQ.)

Contrast this with what the Judeo-Christian Zionist, Baptist evangelist Jack Van Impe says on page 50 of his **ISRAEL'S FINAL HOLOCAUST:** "We who live within the memory of the Nazi nightmare, when six million Jews died in Europe, (according to Jewish sources both before and after the war, there were never anywhere near six million Jews living in all the territory occupied by the Nazis and many of these escaped. The six-million myth is being steadily exploded by truth seeking historians - ED.) might conclude that Hitler's hatred of this people was a phenomenon of the twentieth century. Not so, for Jewish blood had been spilled across Europe and in other parts of the world for centuries. In taking the long look at history, one sees that the Jews had been steadily marching towards Hitler's ovens ever since the fall of their beloved city in AD. 70."

He then goes on to tell how Jews were accepted in Spain where they worked, studied, and engaged in commerce alongside their neighbors . . .This era was relatively calm and is known as "The Golden Age of Spanish Jewry."

He then blames the waves of fanatical Muslims, and Berbers from North Africa, who disturbed the Jewish life style. Indeed they did, for it was the Jews, who had been befriended by the Spanish, that turned traitor against their benefactors and opened the city gates to the Moslem hordes. This was what caused the intense Spanish persecution of Jews.

In every country where the Jews settled, they were evicted, not because they were "God's Chosen People whom Satan hated," as Van Impe states, but because of their immoral lifestyle and their crooked business practices.

He then disclosed either his stupidity or his pro-Jewish prejudice, when on page 52 he states: "Everywhere the Jews were blamed for the ills of their day. Some still foolishly follow that practice. The Jews are accused of controlling all the money, causing depressions, influencing spiraling inflation, and plotting the conquest of the world."

But isn't it interesting to note that all ten banks that make up the Federal Reserve System are Jew owned and that the Federal Reserve controls America's economy? Isn't it interesting to note that at least 70 out of 100 U.S. Senators are in the Zionist camp and that at least half of the House of Representatives votes as Christian Zionists? Isn't it interesting that Jewish authors for centuries have bragged their plans for world control. They have even been bold enough to lay down the "blueprint for this control," yet men like Van Impe, who are either "brainwashed fools," or out and out traitors, say that the Jews are wrongfully accused of their anti-Christian stance. Yet Van Impe will tell you he believes the Bible. I could go on and on with more quotations from this Jew apologist and many others of his ilk, but I believe this will suffice to show you the control that Judaism exerts over those who claim Christ as their King.

A recent report from the American Jewish Committee will show you how deeply Jews have infiltrated the Christian Publishing Houses of America. 85% of all Protestant textbooks are now free of any true, but disparaging references to Jews. Arrangements have been completed between the National Council of Churches N.C.C. , the American Jewish Congress and the Anti-Defamation League of the Jewish B'nai B'rith, whereby Jews will aid in the preparation of all religious lesson materials used in Protestant churches. There is hardly a Christian seminary in any denomination, that is today free of Jewish influence.

What we are actually seeing, is the infiltration of Talmudism into the Christian church, the very thing the Apostle Paul warned about in Titus 1:10, when he told about "Vain talkers and deceivers, specially those of the circumcision (Jews) . . . who subvert whole houses (and church congregations) teaching things which they ought not, for filthy lucre's (money's) sake."

Could it be possible that the Babylonian inspired Judeo-Christian religious system might turn out to be the counterfeit "Bride of Christ," and instead be **BABYLON THE GREAT, THE MOTHER OF HARLOTS?**

I believe that religious persecution is just around the corner in all of Christendom, and especially in the United States and Canada. When it comes, the worst of it will be conducted by the Judeo-Christian churches, who will believe the are doing God a favor by killing and persecuting those of us who believe and follow His Word. It has been my experience, that when I go into a community to speak out against Talmudic Communism, I get more "flack" from the Ministerial Alliances, who are "pimps" for Judaism, than from the enemy themselves.

When I spoke in Canada in 1984, for the **CANADIAN LEAGUE OF RIGHTS**, $5,000 worth of tapes and literature were seized by Canadian Customs, under the urging of Canadian Jewry. This was not "hate literature" per se, but merely told the truth regarding International Jewry. The Judeo-Christians of the Church of Canada, even went so far as to have their pastors read a letter from church officials condemning the "Fascist Colonel from the States," even though none of them had ever heard me speak.

At a meeting in Kelowna, British Columbia, four ministers from this church attended a meeting and told how they had tried to pressure the motel into canceling the meeting. When I asked what part of my speech they objected to, the spokesman said: "None of it. We agreed with everything you said." When I asked why the church was so set against me speaking, he wrathfully said: "Because you are sponsored by the Canadian League of Rights and they will not accept political Zionism." The cat was "finally out of the bag." How's that for a brainwashing job?

In America, prayer and Bible reading has been removed from our public schools, through pressure brought by less than 3% of our population and a strong drive is underway to saddle us with the "hate laws" which have become unbearable in Canada. These laws do not stop Jews from downgrading Christianity and Jesus Christ, but work only against Christians.

Now we see a determined drive by Jews in the United States, led by men such as the Jewish Senator from Ohio, Metzenbaum, as they are determined to disarm the American people and set the stage for a Talmudic-Communist One World Government. If the Christian people of America, including the "brainwashed" stooges of Judeo-Christianity, allow the 2nd Amendment to be destroyed, you will see first hand what International Judaism is all about and what they have in store for you "goyim animals."

In the Communist textbook on **PSYCHOPOLITICS**, taught at the Lenin School of Psychological Warfare, University of Moscow, and the "blueprint" for the takeover of the United States, we read on page 52:

"We have battled in America since the century's turn to bring to nothing any and all Christian influences and we are succeeding. While we today seem to be kind to the Christian world, we have yet to influence them to our ends. When that is done, we will have an end to them everywhere.

So, you work until religion is synonymous with insanity. You must work until officials of city, country and state governments will not think twice before they pounce on Christian groups as public enemies.. We must strike from our path any opposition . . . and then, at last, the decades sped, we can dispense with all authority save our own and triumph in the greater glory of the State." That my friends, is Talmudic Judaism in its very essence!

Their complete philosophy of control can be found on page 30 of **PSYCHOPOLITICS:** "The most barbaric, unrestrained, brutal use of force, if carried far enough invokes obedience. Savage force,

sufficiently long displayed will bring about concurrence with any principle or order.

"If you would have obedience, you must have no compromise with humanity. If you would have obedience you must make it clearly understood that you will show no mercy. Man is an animal. He understands, in the first analysis. Only those things which a brute understands."

These sentiments, my Judeo-Christian friend, come to you from the people you honor as God's Chosen, yet whom according to His own Son, are your worst enemies. What will it take to wake you up?

HERE IS SOME INFORMATION YOU NEED TO CHECK

Read Alfred Lilienthal's **THE ZIONIST CONNECTION II.** In this book you will find a 1970 report by the Chairman of the Department of Education of the American Zionist Council, in which he reports the monitoring of printed materials in the United States. It says in part: "The office staff monitors the daily press, the Negro press, the academic press, magazines of all kinds and books. When hostile attacks against Jews, Israelis of Zionism appear anywhere, materials are prepared and sent directly to the editor's office, to friends and groups throughout the country, who might have access to the publication involved . . . The routine of preparing replies to hostile press releases goes on all the time."

Lilenthal note on page 218 - "The most effective component of the Jewish connection is probably that of media control. Papers such as the New York Times, Washington Post', and Jewish owned and others not Jewish owned, have top editors, directors, and advertising chiefs who are Jewish."

Martin Luther, the great Reformer in **THE JEWS AND THEIR LIES,** which may be found printed in German in the Congressional Library in Washington, D.C., writes in the foreword: "I have permitted this booklet to go forth that I might be found among those who have resisted such poisonous undertakings of the Jews, and have warned Christians to be on their guard against them. I would not have thought that a Christian would permit himself to be fooled by the Jews, so as to share their evils and misery. But the devil is god of this world and where God's Word is not, he has easy sailing not only among the weak, but among the strong. God help us! Amen!"

The pressure to remove prayer and Bible reading from our public schools has certainly had m any sailing." As Jews have been in the forefront of the efforts to cause it.

Luther continues his discussion of Jewry by saying: "Whoever has a desire to lodge, nurse, and honor such poisonous serpents and young devils; that is the worst enemies of Christ our Lord and of all of us; and permit himself to be abused, plundered, robbed, spit upon, cursed and suffer all evil, let the Jew be commended to him . . . Let him boast that he had been merciful, had strengthened the devil and his young devils to blaspheme our dear Lord and the precious blood with which He bought us. In that way he will be a perfect Christian filled with deeds of mercy, for which Christ will reward him on the Judgment Day, along with the Jews, with eternal hell fire."

Can you imagine the kind of letter Martin Luther would have written to our modern televangelists? His remarks are scriptural, for we are told in 2 John 10, 11, that if we aid the anti-Christs in anyway, we "become partaker of their evil deeds." A lot of Judeo-Christians need to heed this and tremble at its implication.

Why is it, that in a country where we are supposed to have 45-million "born again" Christians, plus God alone knows how many "professing Christians," we still allow the anti-Christ's to blaspheme and curse the name of our King, openly on television and in the movies. Even though many of these actors do not have a religious background, why do we see them cursing the Christian God? They do not curse the Jewish god! They do not curse Allah of the Moslems! They curse the Christ of Christianity and we sit idly by and allow them to do it. Is it because most of us are ashamed to be

Christians? Our Lord was mighty plain about this in Matt. 10:33, when He said: "But whosoever shall deny me before men, him will I deny before my Father which is in heaven." Do we not deny Him, when we refuse to defend Him from evil men? What will your answer be on the day of Judgment, my Christian friend?

Benjamin Freedman, a Christian convert from Judaism, in his book **FACTS ARE FACTS**, said: "The 150 million (professing) Christians in the United States are high pressured by the Christian clergy to give unqualified support to the Zionists . . . Christians are exhorted by the Christian clergy to regard the self-styled Jews (see Rev. 2:9, 3:9) of Eastern Europe, as God's Chosen people; with Palestine as their Promised Land." (page 75)

Why is it that Christians such as those of the Moral Majority, make such little headway against evil men? Could it be because for the most part the root of the problem is a Jewish root and they will not attack it? Could many of these Christians be fulfilling the words of Isaiah 29:13 -this people draw near me with their mouth, and with their lips do honor me, but they have removed their hearts far from me and their fear towards me is taught by the precepts of men." Men like Falwell and Swaggart, who tell their people: "America must support the Jews in order to obtain God's blessing."

The Christian faith is standing at the cross roads of history. The divine, sacred message of Christianity is in jeopardy today, as never before in its 2,000 years of turbulent history. Christianity is on the defensive world-wide.

We used to sing a stirring song when I was a boy in church:

> Hold the fort for I am coming,
> Jesus signals still.
> Send the answer back to heaven,
> By Thy grace, we will!

But nowhere in scripture, are Christians given the option to "hide in a fort," or in a comfortable "spiritual foxhole." We are not to be on the "'defensive" against the forces of evil, but on the "offensive," and the King has promised that the "gates of hell will not prevail (hold out) against us."

Today, as never before, we need a Paul Revere to ride across Canada and the United States, in fact all the nations of Christendom, with a warning message that our enemies are attempting to destroy us. The confusion in Christianity today, especially among the clergy, would not exist if the clergy were doing their duty to "preach the word; be instant in season out of season; reprove, rebuke, exhort with all longsuffering and doctrine," (2 Timothy 4:2).

Countless Christians are standing on the side lines of this struggle, watching in despair, as their faith withers on the vine, and freedom dies, because their spiritual leaders refuse to take a stand for the King.

Their bitterness grows, as they come to realize that it is the ignorance and indifference of their church leaders, which is causing the problem.

When Christians see their spiritual leaders in retreat on every front', they become confused and afraid and this breeds defeat. To stop this surrender, our spiritual leaders must take a stand in this ideological war, which is being waged against everything they say they hold dear.

As more and more intelligent Christians begin to study the Bible for themselves, we will see a spirit of deep resentment over the indifference shown by most of the clergy. I predict a day will come, in the not too distant future, when the clergy will be held accountable by their people, for their treason to God, their race, and this country. As this condition expands, the clergy will learn to their sorrow that "ignorance is not bliss,' neither is folly wisdom."

I remember a song which used to be quite popular a few years ago. The words went something like this:

"Give me some men,
Who are stout-hearted men,
Who will fight for the right they adore.
Start me with ten, who are stout-hearted men,
And I'll soon give you ten thousand more."

If we could find ten men in every community in America, who would be willing to take a stand for God and right, we could turn this nation of ours around in six months, kick the "money changers" out of the National temple and get America headed on the path to greatness where she belongs.

I also predict a coming explosion of resentment against the Jewish people in America, which will harm many innocent "little Jews." This is bound to come when Christians learn how "self-styled Jews" have spent millions of dollars to manufacture "Jewish myths" for Christian consumption. Many Jewish leaders already recognize this and are trying, without much 'success, to warn their people. But Jewish "power organizations," such as the Anti-Defamation League, continue their rush towards destruction.

How any right thinking person can c1aim that Judaism and Christianity spring from the same roots is beyond my comprehension. They are miles apart. It is like saying that something can be "hot-cold," or "wet-dry." Jesus denounced the religion of the Pharisees which is the Judaism of today. This is what earned their hatred and He had to die for His presumption.

Rabbi Adolph Moses, in his book **YAHVISM, AND OTHER DISCOURSES**, page 1, says: "The term Judaism coined by Josephus remained absolutely unknown to the Jews... it was only in comparatively recent times, after the Jews became familiar with modern Christian literature, that they began to name their religion Judaism." (It was during this same period, that Judeo-Christianity, the "bastard religion" was born.).

How could the religion taught by Jesus Christ come from a religion that teaches: "If a woman sport lewdly with her son (a minor), and he committed the first stage of cohabitation with her, would this render her unfit for the priesthood?" and the eminent Jewish Rabbi Beth Hillel declared: "the connection would make no difference if the boy was under the age of nine." Don't be so presumptuous as to tell me Christianity comes from a source which would teach such filth.

We have been led to believe by both religious and political leaders, that the Jews have been persecuted in the Soviet Union in recent years, although they are the only religious group which has been allowed to leave the USSR. The Baptist and Pentecostal Christians have been given no such privilege, nor has our government attempted to help them, only the Soviet Jews. In the June 1983 issue of **BEHIND THE NEWS**, printed in the New York Times, August 1983, the respected South African author and political analyst, Ivor Benson said: "The fact of Jewish predominance for some years after the Bolshevik Revolution can now be accepted as an indisputable fact of history... the deputy-premier Dymshits, was and still is the Kremlin Economic Czar who, with Lazar Kaganovich, has helped maintain an unbroken line of Jewish control over the Soviet Union's economic existence ever since the revolution. He is the big boss with whom the western businessmen must deal . . . It is possible to be reasonably sure of an opinion that cannot be proved because it is possible to accumulate in the computer of the memory and analyze and symbolize particles of knowledge of quantity and kind, that language cannot communicate . . . Just about everything that has happened since the revolution, both inside and outside the Soviet Union, has some light to throw on a question of the greatest imaginable importance: Who now is the power we know as the Soviet Union of Soviet Socialist Republics?

"Western investigators. . . have a right to rest on the assumption that **THERE HAS BEEN NO CHANGE** inside the USSR, leaving it where it belongs the whole onus of proving to the contrary. Solzhenitsyn has avoided direct reference to the role of the Jews in the Soviet Union, but in **THE GULAG ARCHIPELAGO TWO,** he has printed photographs of six of the great concentration

camps bosses, all Jews, including one Naftaly Fremnkel, one-time Black Sea timber millionaire who is said to be the architect of the entire slave labor system, designed to destroy all those prisoners from whom no more labor can be squeezed. The Germans who fought on the Eastern front and were unfortunate enough to become prisoners of the Russians, can testify that the political commissars of these camps are invariably Jews."

For those of you who may still be skeptical regarding Jewish influence and control of the USSR, ask yourself again, why only Jews, of all religious groups, are allowed to leave the USSR? What better way to infiltrated the United States with trained agents, than to send 50,000 Christ-haters to our shores. There is little doubt that many of these will be trained KGB agents.

What absolute fools our government leaders have become, or possibly even worse, are they doing this for a specific purpose?

The Jewish people from time immemorial have been a vindictive, arrogant people. We have scriptural warning of this in several places which we have already discussed.

Have you ever wondered why so many Jews are involved in the U.S. Justice Department? Why so many have become Judges and Lawyers?

Let's go to Samuel Roth and his book **JEWS MUST LIVE,** page 93, for the answer: "Nothing seems to me more natural than that Jews should be attracted to the study of law. But, in view of what they have done with the laws of mankind, no other people would seem to me to be less fit to administer them - for the world, or even themselves. And nothing seems to me so monstrously ironical as the easy liberalness with which the major peoples of the earth continue to admit Jews to the practice of the two cardinal professions - law and medicine: the one governing the affairs of men, the other guarding against the evils of their mortal origin.

"If you consult your average businessman in England, France, Germany, or even in liberal America and ask him why he refuses to employ a Jew, he will invariably, out of old habit, defend himself against an implication of bigotry. 'It's not race prejudice,' he will tell you, 'I simply feel that the Jew's habit is to mind his own business, which is not always, unfortunately, the business of his employer' ". (UNQ.)

The Jews proclivity towards law and medicine could possibly be traced back to a Protocol which was published by Chemor, head Rabbi of France in 1289, when he wrote to the Grand Sanhedrin of that country and said:

"The advice of the Grand Satraps and Rabbis is as follows:

> 1 - Make your sons merchants, that little by little they may despoil the Christians of their possessions.
>
> 2 - Make your sons doctors and apothecaries, that they may take away Christian lives.
>
> 3 - Make your sons canons and clerics that the ma destroy their churches, and,
>
> 4 - Arrange for your sons to become advocates and lawyers, and see that they always mix themselves up with the affairs of State, in order that by putting Christians under your yoke, you may dominate the world and be avenged on them.
>
> SIGNED: V.S.S.V.F.F., Prince of the Jews.

(This document was published in 1889 by Baron James de Rothschild and is still in his library.)

Doesn't it seem strange to you, that while we will often not trust a Jew in business, we seem to have no objection to allowing him to become an officer of the court, even though we know that he yearly, on the Day of Atonement, takes an oath, known as the Kol Nidre Oath, which absolves him from guilt for any promise, or oath he takes during the following year. We don't like Jews as business partners, because we are afraid they will cheat us out of our business, yet we foolishly see no harm in trusting them with our life, or the lives of our family. What fools we "goyim" are. No wonder the Jews look on us with contempt and call us "cattle." No one knows more about our gullibility than the Jews himself, so he takes full advantage of it.

The Jewish desire to destroy Christianity can be seen in an article which appeared in **THE AMERICAN HEBREW** newspaper, March 1, 1946, which was referring to the Feast of Purim, a celebration of the Jews deliverance from Haman and their slaughter of their Persian enemies, as told in Esther 9:27, 28. The sub-heading of this article was **EXTERMINATE ANTI-SEMITIC TERMITES AS OUR ANCESTORS DID 2,500 YEARS AGO.** A Rabbi Spitz, the author said: "We must fill our jails with anti-Semitic gangsters, we must fill our insane asylums with anti-Semitic lunatics. . . we must harass and prosecute Jew baiters to the extreme limit of the law." (UNQ.) (And they call patriotic Christians, haters!)

"Hate Laws", which are invariably sponsored by Jewish organizations, have been tightened throughout Christendom to such an extent, that it is no longer safe to even debate the Jewish Question. In our sister nation of Canada, men have been jailed for telling the truth about those people who are openly seeking to destroy white Christian civilization.

Now these same "hate laws" are being proposed for the United States, by the same crowd. These laws allow a Jew to blaspheme Christ and Christianity, but do not allow a Christian to "reply in kind." Preposterous stupidity to allow this to happen!

In his classic work **ANTI-SEMITISM,** Bernard Lazare notes: "The Jew seeks to subject everything to himself. He is not content to merely destroy Christianity, but he preaches the gospel of Judaism, he not only assails the Catholic and Protestant faith, but he incites to unbelief, and then imposes on those whose faith he has undermined, his own concepts of the world, or morality, and of life. He is engaged in his historic mission, the annihilation of the religion of Christ. Are Christian anti-semites wrong or right in this respect? Has the Jew retained his ancient notions. is he still anti-Christian? I say, in his actions, because he is necessarily anti-Christian, by definition, in being a Jew, just as he is anti-Mohammedan, just as he is opposed to every opinion which is not his own. (UNQ.) "Contrary to all men," the Apostle Paul said. (1 Thess. 2:15)

Samuel Roth continues his discussion of the Jews influence on our law by saying: "There is the law and its administrator the lawyer. We understand, fairly enough, that the law is a code by which civilized people conduct their individual affairs in a community, with a maximum gain for the community and a minimum of loss to the individual. But what is our concept of the lawyer, the man whom we entrust with the work of administering this code for us?

"The American idea of a lawyer goes something like this. If you have a contract to make or break, a man to sue or a suit to defend, or if someone close to you gets in a legal tangle involving possible loss of property or liberty, you go to a lawyer, a man reputed to have a working knowledge of the laws of your community and country, and bargain out with him the conditions on which he will defend you, or serve in your interests. Whether you win or lose, you feel, will depend not on whether you are right or wrong, but on what kind of a lawyer you have.. . From our point of view, its more important to have a good lawyer than to be right." (UNQ.)

Roth then goes on to observe that if a Christian in New York City pauses to meditate on the fact that more than half of the several thousand lawyers in that city are Jews, he thinks only that the Jews

were smart enough to arrange this. It never occurs to him that this overpopulation of Jewish lawyers could have a serious effect on the practice of law. Many times a Christian will hire a Jew to defend him, rather than a Christian, because just as in many other things concerning Jews, he has been brainwashed into believing that Jews are better lawyers than Gentiles. He seldom thinks as far as wondering why the law system is predominately Jewish.

The callousness in our system of justice has been brought about largely by the swarms of Jews who have made the average lawyers office about as safe for the poor layman as a nest of rattlesnakes.

Have Christians, especially those who delight in calling themselves Judeo-Christians, ever taken the time or effort to see the financial and physical havoc which is caused yearly in American society by these unscrupulous men called lawyers? I sincerely doubt it! In Luke 11:46, we see what our Lord thought about the lawyers of His day, when He scathingly said: "Woe unto you also, ye lawyers! for ye laden men with burdens grievious to bear, and ye yourselves touch not the burdens with one of your fingers." Yet stupid Christians, still use these anti-Christs and then compound their stupidity by calling them God's Chosen!

It is interesting to note what Isaiah said about these people we call Jews in (65:15): "And ye (Jews) shall leave your name for a curse unto my chosen (Israel): for the Lord God will slay thee (Jews, see Luke 19:27) and call His servants (Israel) by another name." (See also Malachi 1:24).

Israel was to become a blessing to mankind, not a "curse and contrary to all men." This is why 95% of all the Christian missionary efforts come from the white nations of Christendom. They are true Israel! This is why they are the only nations in the world which openly accepted the Gospel of Jesus Christ. This is why they are the only nations who have based their laws on the Ten Commandments. This is why they are the nations who feed the world's hungry and send 95% of the aid when a nation is stricken with disaster. These are but a few of the scriptural "fingerprints," which prove that these white nations are the Israel of God. The Jews have never fitted one of these scriptural fingerprints.

The Jews will allow the preaching of the Gospel, as long as the church will hold them up as the Chosen People. But they fear a spiritual revival among white Christians in particular, more than any other single thing. For a spiritual revival, coupled with racial common sense, would never allow them to control Christianity as they have in the past 100 years. This is one of the major reasons hate the teachings of the Identity truth. They realize that if enough Americans and Canadians know the truth about who they are, and their responsibility before God, Jewish power over us will be broken.

Alfred Lilienthal, the eminent Jewish author in his book **WHAT PRICE ISRAEL**, says: "Here is a paradox, a paradox, a most ingenious paradox; in anthropological fact, many Christians may have more Hebrew Israelite blood in their veins than most of their Jewish neighbors." (UNQ.)

Once the Christian world wakes up to their **IDENTITY.** Once they understand and recognize scriptural truth, we will rid ourselves of Jewish bondage and the sorrow it has brought to our people and we can rightfully take our place in the world as "a chosen generation, a royal priesthood, an holy nation (not church); that ye should show forth the praises of him who hath called you out of darkness into His marvelous light." (1 Peter 2:9) **HALLELU'YAH!**

My personal feeling is that the Lord will not return to save His people until we are willing to acknowledge who we are, realize our responsibilities to both God and our fellow men and live as He wants us to live. That is the message of **SURVIVAL** we find in 2 Chron. 7:14. "If my people, which are call by my name (this could not possibly mean the Jews, it can only refer to Christians) will humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will **HEAL THEIR LAND.**" (Emphasis added).

Unfortunately, we have seen very little of people humbling themselves before God. Oh, they pray all right, but they want God to handle the "dirty work" He has given them to do. God will never carry out the Christians garbage, that is our task. He will not help us until we are ready to humble ourselves and turn from our wilful, "I'm only doing my own thing," ways. Maybe this means that

the majority of us will have to be driven to our knees and have our noses rubbed in the dirt before we will listen to Him? Maybe it means that many of our people will die before we are willing to "humble ourselves and seek His face." He has set before us an easy way, if we want to obey Him, and a tough, bitter path if we rebel. It will be up to us what path we choose!

The End
